Congratulations

Congratulations to the officers and members of Limiclck's most popular and successful hurling stalwart, Thomas Counihan, alias Limerick's Captain. Mr. Counihan, a past and present member of the Limerick Hurling and Football Club in Cork, has achieved an enviable record in the sport. His dedication and passion for the game have earned him a place among the elite hurlers in the country. His skills and teamwork have contributed to the success of the Limerick team, and his contributions will be greatly missed.

Is there an A PERSONAL vendetta against the Mayor of Limerick, Ald. Steve Coughlan, T.D.? This is the question being asked throughout Limerick this week-end following the latest developments in the growing row within the Labour Party. Alderman Coughlan has stated that it appeared at times that there was such a vendetta against him among certain radical elements within the Party.

The Parliamentary Party and the Administrative Council of the Party have given him a vote of confidence, and Alderman Coughlan has expressed his regret that there were some dissidents within the Party as a result of their failure to have his expulsion.

BIRTHDAY PARTIES POSTPONED

Limerick's appearance in tomorrow's final of the National Hurling League against Cork at Croke Park, means that two birthday parties will have to be postponed. These birthday parties were scheduled for Mr. Tom Holohan, secretary of the Limerick County Board, and for Mr. T. J. O'Donnell, secretary of the Limerick players. To-morrow's daughter, Monica, spends her birthday in Croom (Kilkenny), and her three-year-old daughter, Anna, in Atlantic House, on the night of the party at the family home in Castleconnell. But because of the hurling league championship there has been a postponement for a few days. Of course, the two children will receive their birthday gifts but the traditional family gathering has been put off for a later date.

Took room mates' money

A defendant took £36 from a room-mate, who is a student, while he was at university. Mr. P. O'Connell, aged 18, was charged with the offence. The defendant pleaded guilty to the charge, and the case was adjourned for sentencing.

NEW LIBRARIES FOR LIMERICK

A new library is planned for the Colbert Park area of Limerick. It was announced today. Speaking at the opening of the extension of the City Library, Mr. T. D. McElligott, City Manager, said that the Corporation had been advised to prepare a design for the new building.

He added that it was intended to use a plan for the new building, in conjunction with the new Institute of Higher Education in Limerick. This would be available to all the citizens.

The opening of the City Library extension was performed by the Mayor, Alderman Steve Coughlan, T.D. The City Librarian, Miss M. O'Loughlin, was among those present.

Chamber's nominees

In response to a request from the Chamber of Commerce, the Limerick Chamber has nominated Mr. P. H. Healy and Mr. C. G. Stewart to act as nominees in the election of new directors. They will stand for the nomination of the Limerick Chamber of Commerce to the Board of the new Institute.

IMPOSSIBLE

In a statement to our reporter, Mr. J. M. O'Mahony, Limerick, said: "I resigned from the Administrative Committee, but I am still attending the meetings of the Labour Party." He also said that the decision of the Administrative Committee not to call the meeting of the Labour Party was a matter of regret, and that the committee should have been consulted.

Mr. Dan O'Sullivan, who has been unanimously elected president of the Electrical Contractors' Association of Ireland, is the first time in the history of the association that the presidency has gone to the provinces.
