CAFE CAPRI

CAFE CAPRI — which instantly conjures to mind one of the loveliest sights in the world—is the fitting name of the latest addition to Limerick's many cafes.

Situated at No. 1 O'Connell Street, it will be under the personal supervision of the well-known Erosio Marcella and his partner, Antonio Colletti.

Mr. Erosio Marcella has been a familiar figure in Limerick for almost four decades and, indeed, has become one of the best-known personalities in the City.

He has a nation-wide reputation for high quality ice cream and is famous for his high quality fish and chips, suppers, snacks, light luncheons and teas. With his partner, Antonio Colletti, he now hopes to open a cafe with a fast and speedy service, which will cater for almost 100 patrons at a time.

LATEST DESIGN

The latest design in roomy and comfortable snugs will ensure excellent accommodation, while the special lighting will enhance the bright and cheery interior, which will have a continental cafe atmosphere.

EXPRESS COFFEE SERVICE

Of prime interest to café-tiners is the news that the partners have installed the very latest express coffee service. This streamline installation has come direct from Italy and is the only one of its kind in Limerick.

SERVICE WINDOW

Another attractive feature will be the service window, at which you may purchase ices, cigarettes and chocolates without actually entering the cafe.

AN OLD FRIEND

Mr. Erosio Marcella has become an old friend to the thousands of Limerick and County citizens, who like to dine out at night, or have a preference for an after-the-Cinema-Cor-Dance supper. He will be more than happy to greet all his old friends and acquaintances in that hearty, benevolent style which has endeared him to all, and he assures them of even better service than in the past.

CONGRATULATIONS

May we wish Mr. Marcella and his partner, Antonio Colletti, well in their new venture and congratulate them on their enterprise in providing a really splendid addition to Limerick's cafes.
