

# EVE'S

## BRIDAL ENSEMBLES, SUITS, COATS and DRESSES

"EVE'S," of Roche's Street, Limerick, will celebrate their 20th Anniversary this year with two Fashion Shows at Cruise's Hotel on Thursday next.

The Maureen Walsh Mannequin Agency of O'Connell Street, Limerick, will display bride-to-be ensembles, suits, coats and dresses in a dazzling array that should please the most fashion conscious.

To celebrate this wonderful occasion, "Eve's," of Roche's Street, Limerick, will stage two fashion shows at Cruise's Hotel on Thursday next.

Afternoon and evening shows will be held to cater for the large crowds already seeking tickets, which are on sale at "Eve's"; R. Casey's, Roche's Street, Limerick, and the Maureen Walsh Mannequin Agency, O'Connell St., Limerick.

The latest fashions will be on display and they should prove of particular interest

to the fashion conscious, particularly the bride-to-be, as there will be a number of magnificent bridal ensembles on view as well as suits, coats, and some very colourful and charming dresses.

During the past twenty years, "Eve's" have endeavoured, and indeed, succeeded, in giving their many satisfied customers the best in value at all times, and at moderate prices.

This show will once again prove that their motto is a sincere one as all the goods

on display will be the very latest in fashion trends, in the very best of taste, reasonably priced and excellent value.

All the garments will be priced on the programmes and may be purchased immediately after the show.

Those who intend to be present at one of these shows are urged to secure their tickets without delay.

The Show will take place in the Ballroom and there will be no overcrowding.

Jewellery by N. FINE, O'Connell Street.

Shoes by O'SULLIVAN'S, O'Connell Street.

Cosmetics by R. CASEY, Chemist, 56, Roche's Street.

Flowers by GARDEN PRODUCTS, William Street.

Hair Styles by STAEHLI, Cecil Street.

There will be a demonstration by the Max Factor Beauty Consultant, Miss Maureen Walsh, in the beauty preparations worn by the models and supplied by R. Casey, Chemist.
