

white only to Dublin there. "If it's alone, leaving at higher at so many to start or at Shan- nes conti- e in the restriction? he policies involved. ot get the mon. The the whole movement for O'Shea

Of course, Shannon Air- port has been making deter- mined efforts to develop lines of business independent of tourism. "We're the largest training airport in Europe," Barry O'Shea says. "That's because we're well equipped

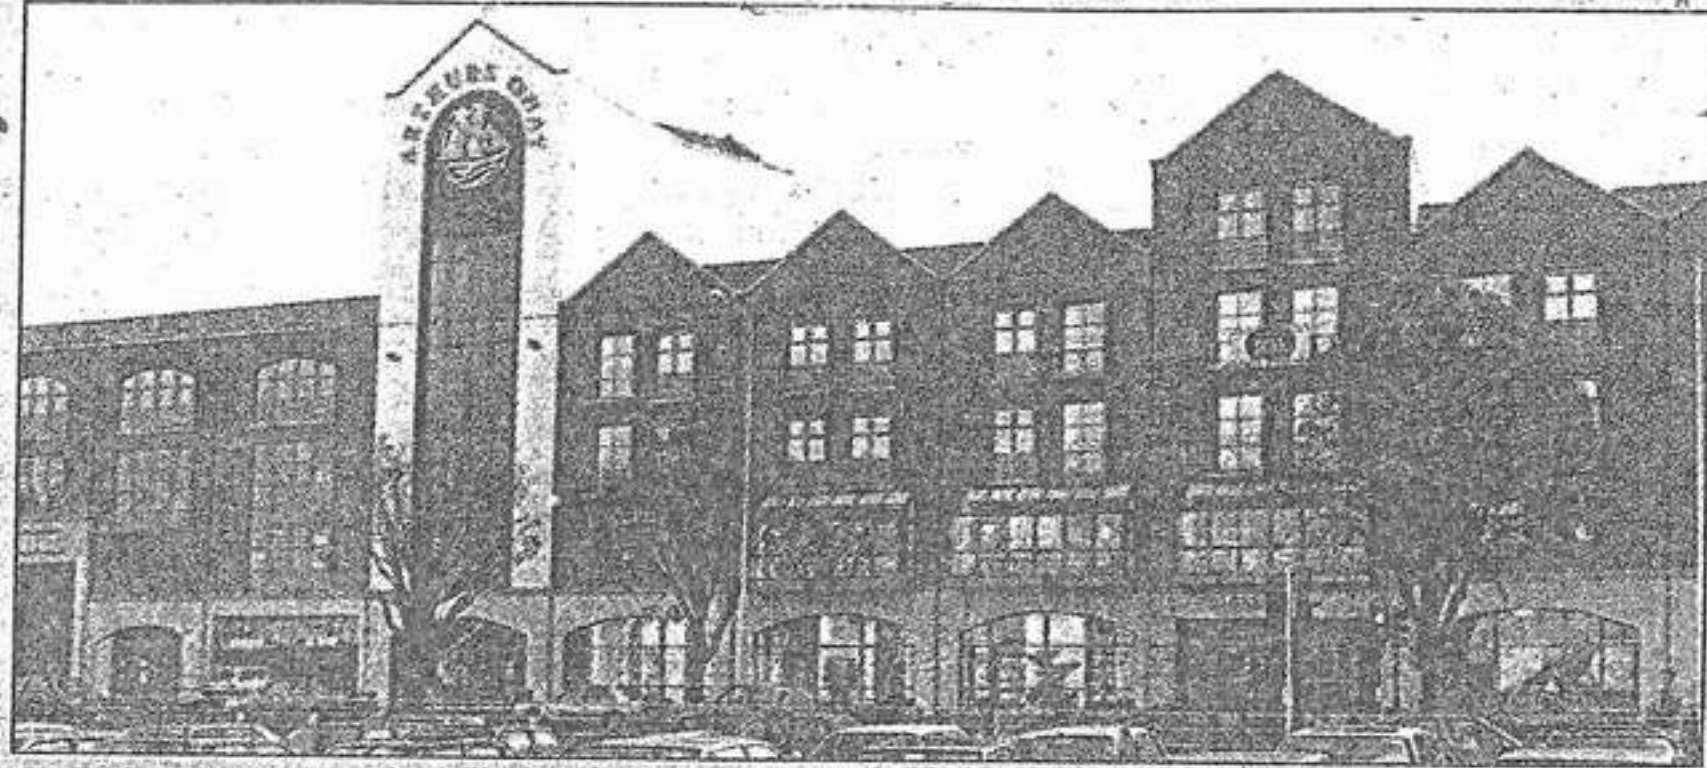

The airport's use by the Soviet airline, Aeroflot, as a refuelling point on flights to the Caribbean and Latin America has also proved a useful sideline -there are now over 1,200 flights a year. "Eu-

changing planes to get to Moscow," Mr O'Shea says. The Aeroflot flights have spun-off another nice little business for Aer Rianta too. The Russians ship aviation spirit from the Baltic to a tank farm at Shannon so that they can use it and save using hard

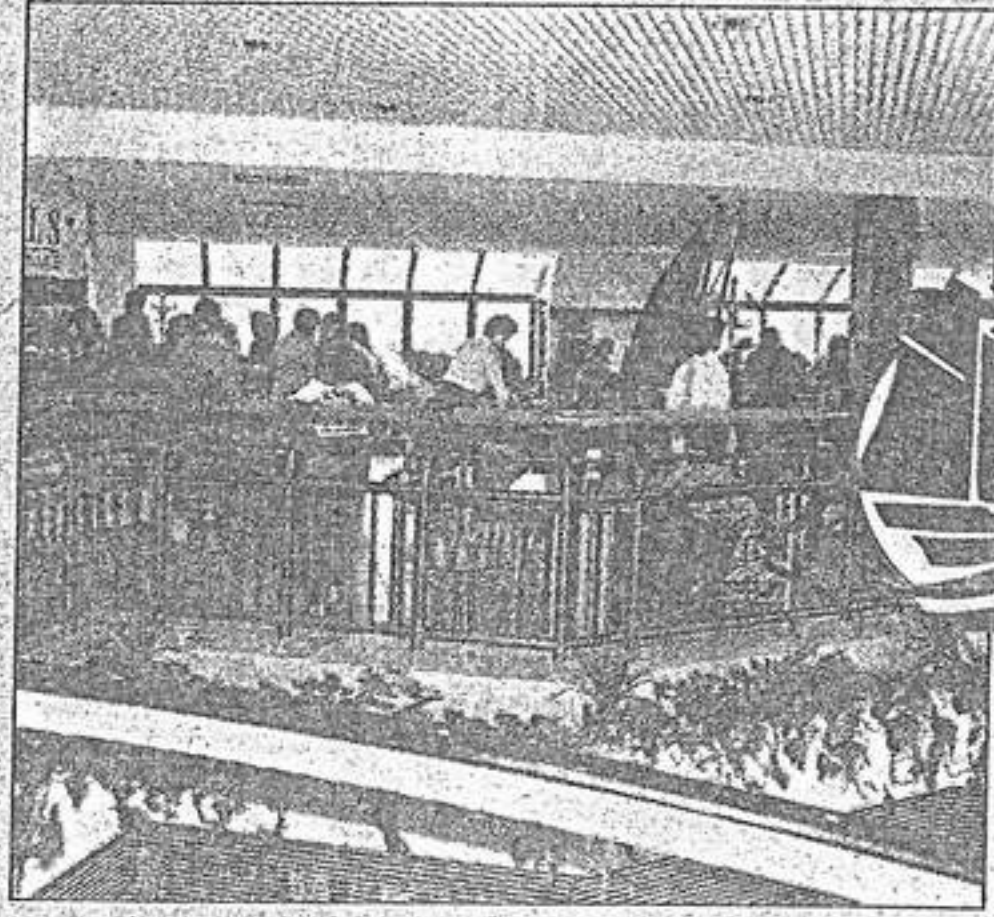

it started as a latter arrangement," Mr O'Shea says, "but now the number of Aeroflot flights through here has built up so much that the fuel we sell is only a part-pay- ment and they have to find hard currency to cover the rest."
