towards practical subjects which mainline pupils into employable careers, both at home and abroad. Business Studies, which encompasses Business Organisation, Economics and Accountancy, has proved extremely popular and the school's reputation is such that many pupils find placement with local firms as soon as they leave, without necessarily having to go to college. With all the new options available, Career Guidance

Eason's - Open again at 9 O'Connell Street, Limerick.

THE renovation of what is known locally in Limerick as Saxone Corner was completed on October 21st. when Eason's opened the doors of their modernised store

at 9 O'Connell Street to the general public.

The new look Eason's boasts three floors packed with magazines, books, stationery, greetings cards, records, tapes, gift

ideas and much more!

The O'Connell Street branch closed for the re-fit in mid-May and the renovation was carried out by McNamara Builders. The work was actually

completed ahead of schedule with the store originally due to open on October 23rd. Temporary premises were taken on a few doors down the

The new Eason's Store - open for business at 9 O'Connell Street, Limerick.

road next to Cruises Hotel and National Sales Director Brendan Fanning would like to thank customers for their support, "I'd also like to express my appreciation to the contractors, McNamara Builders, who had a particularly difficult job seeing as number 9 is situated on a busy crossroads! The Corporation were extremely helpful too and everything went very smoothly".

Renovating their Limerick branch had been one of Eason's main priorities for several years and they now have more space, 7,500 square foot in total. which has
