JOHN T. DROUGHT LTD. ⚡

Special favourites at the Souvenir Shop are the Irish Dolls. These are beautifully finished figures in traditional Irish dress of several different areas. They are hand painted and have hand-knit clothes of genuine Lambswool Tweed and Bainin Wool. Shown below are a Connemara man and a Dublin flower seller.

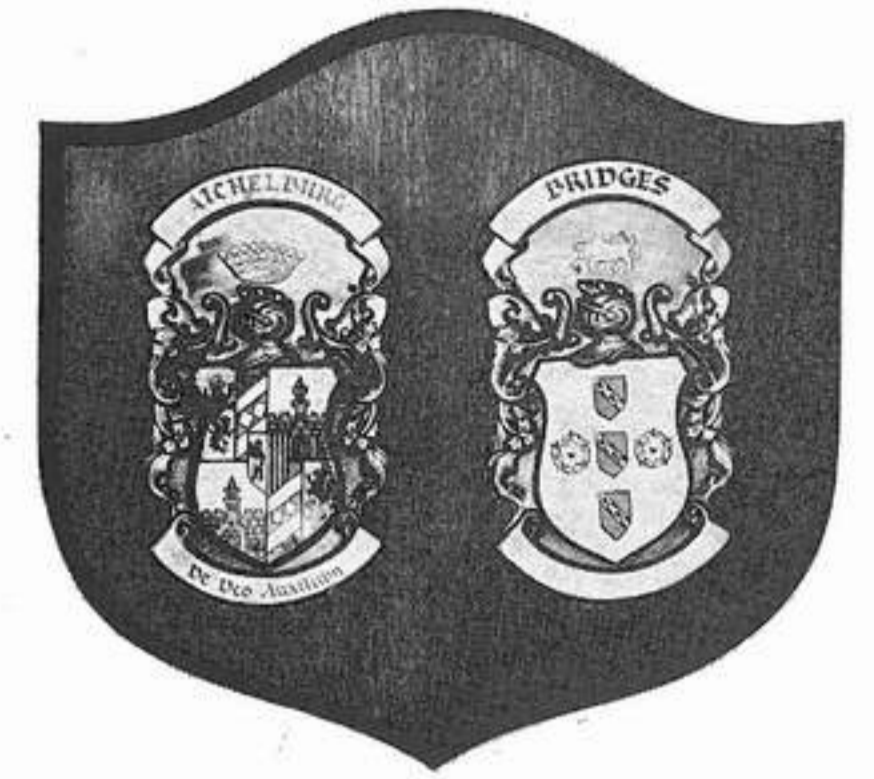

It is just possible that you might return home from your holiday without actually seeing a real leprechaun. In which case Switzers have the next best answer — in a variety of shapes and sizes.

It's not so easy to take a turf-cutter's donkey home either — so we have the furry little replica you see below. It is hand made and complete with creels filled with real turf.

If you have in mind a gift of lasting meaning, Switzers has an exciting and distinctly Irish jewellery collection to show you. Jewellery which is built around the shamrock motif, or the earliest Celtic designs.

Bring home your family crest! If you've an Irish name — the chances are you'll find it among our Heraldic Wall Shields. If it isn't, it can always be ordered for you.
