

Memories are made of this: more pictures from the Fitt's Paddocks

■ Pictures from the Leader archive of the livestock sales at WB Fitt's on the South Circular Road have gone down so well with many readers we present another journey down memory lane with these fine images from different eras

EX: LIMERICK LEADER
14TH JUNE 2014
PAGE 18

This wonderful picture was taken just two years after Donal McMonagle set up the Limerick Leader photography department in 1953. Many of the early pictures taken by him will be collected in a Limerick Leader book to be published later this year. The paper covered the sales and shows at Fitt's Paddocks for decades and also presented the Limerick Leader Cup, seen in the picture on the bottom right of the page
