

neat rig-out, which is a grand feature of these competitions.

Stella Maris, 0; Garryowen-C., 3.

At Caledonian Park with the football attractive, Garryowen defeated Stella Maris. A weak clearance by the Stella Maris defence allowed Garryowen the opportunity for J. O'Connor to net the lead. In the second half the Stella Maris stood up well to the incessant attacks of their opponents. It was five minutes from the end when Fitzpatrick put on number two goal for the leaders, and one minute later Kemmy sealed the issue with a well taken score. Prominent for the winners were: Kemmy (full), Nealon (left-half), and Egan and Fitzpatrick. Luby played well in goal for the losers, with Campbell, Constable and Lynch showing up well.

Garryowen Celtic, 2; Wembley Rovers, 0.

At Shelbourne Park on Saturday last, Garryowen Celtic defeated Wembley Rovers by 2-0. Garryowen opened well, and with the wind in their favour they forced the pace. McLoughlin, in the Wembley goal, effected some good saves, with Joe Morrissey at centre-half for the same side also in top form in following the Garryowen forwards.

After a scoreless first-half, Wembley were on top in the early stages of the second period, but after 15 minutes Garryowen came into their own. Playing more to their wingers, Garryowen gradually gained the upperhand. Fitzpatrick, who chased the ball to the wing, crossed it accurately for O'Connor to head a picture goal. Two minutes from time, O'Connor again scored.

Best for the winners were — J. O'Connor, Fitzpatrick, and M. Kemmy. For the losers—McLoughlin (goal), J. Morrissey and E. Sheedy.

Referee, Mr. G. Treacy.

Stella Maris, 0; Caledonians, 4.

This match produced very clever football by Caledonians, at Caledonian Park, on Saturday last, with the first half scoreless. Aided by the breeze after the interval, G. Clarke was in sparkling form for "Cals," and within a period of 17 minutes he notched a hat-trick. The fourth goal was scored by Moore. Prominent for the winners were—Clarke, O'Connor, Collopy, and Reddan. Best for the losers were—Constable, Holland, and Lynch.

Referee, Mr. P. Noonan.

Caledonians, 1; St. John's Gate, 2.

All the scoring in this under 14's match was done in the first half, with the football a treat. It was considered that "Cals" were unlucky not to force a division of the points. With the "Gate" faster on the ball, Victor Roberts, centre-forward, got the opening goal for

pleted for the hurling challenge on Thursday next (7.30) at the Crescent Grounds. Many of those "foreign games" specialists who are participating in the match are to be seen training nightly at the Pike Field. Among them the other night was Dave O'Loughlin, Paddy Reid, Tom Clifford, Sean O'Dea, Tom O'Donnell, and Tony McKeown, and it seems as if they can match the regular hurlers in skill with the hurley. From Cork comes the news that Paddy Noonan and J. Vaughnaun (Cork Athletic) will turn out, as well as Tim McNamee (Sunday's Well). The match will be rounded off with a dance that night in St. John's Pavilion. The match will be filmed.

#### Shock For Leeds.

Leeds United, who were at full strength with the exception of international John Charles, got the shock of their lives at the hands of Limerick yesterday at the Markets Field. It was evident that Limerick had shaken off last Sunday's lethargy and in the second half they set about reducing a 2-0 deficit with grim determination. Jimmy Kelly (Pike Rovers), leading the Limerick attack with great gusto, shot the locals first goal off an uncanny free by Casey. Kelly brought the house down, as it were, when he nipped in between goalie Searson and Milburn to centre the ball across the goal from the back line to leave Buddy O'Grady through for the second goal. It was five minutes from time when O'Grady hit the winning shot, as if from a rocket into the Leeds net. Leeds got a chance of squaring the match when Milburn's penalty was well saved by O'Dwyer. The match showed that Limerick had three useful recruits in Byrnes, Kelly and Allen, and at the same time the Leeds officials must surely realise that there is an abundance of soccer talent in Limerick.
