Sunday's Well Gala.

SUNDAY'S Well Swimming Club held their annual gala at the indoor pool, Cork, on Friday night last. The promoting club had a most successful night in winning the two Munster Squadron Championships on the programme in record time.

The Ladies' Senior Squadron (Misses M. Wyley, M. O'Leary, P. Daly and A. Gayer) won by 35 yards from Dolphin S.C., and lowered the existing record by the phenomenal amount of 21 secs.

Sunday's Well brought off a rare surprise in winning the Men's Junior Squadron Championship. Shannon were 3 seconds better than the existing record of 4 mins. 44 secs. The Sunday's Well Squad was:—F.

CRICKET

CATHOLIC Institute completed their list of home fixtures when they met a full strength Senior League Wanderers (Cork) on Sunday last. The result, a defeat by twelve runs for the local team, none the less, holds promise of successes for the Institute team when they play in the higher grade next season, inasmuch as a number of promising players were not available.

Wanderers batted first, and it wasn't long before they were struggling before some accurate bowling from Flood and Downey, and they lost half their side for 23 runs. The visitors' Captain, P. J. O'Brien, changed the face of things by then hitting some solid balls to leg, but after his departure a collapse set in, and the side was all out for 57. Downey took 6 wickets for 14 runs, and Flood 4 for 40.

Institute opened very badly, and a combination of bad luck and indifferent batting saw seven wickets fall for a meagre 12 runs. The later batsmen, particularly P. Crowley and E. O'Connor, saved the face of the team in bringing the final total to 45.

Next season Catholic Institute will

CASTLETROY GOLF CLUB

GREAT DAY.

LAST Sunday was Open Day at Castletroy and this autumn meeting turned out to be a great success.

From near and far golfers turned up to have a shot at winning the prizes. The number of clubs that were represented was a record for this competition: Ennis, Lahinch, Charleville, Borris, Tipperary, Clonmel, Limerick, Newcastle West, Adare, Birr, Rathfarnham, Moate, Mullingar, Shannon Airport and Nenagh.

200 GOLFERS.

In all over 200 golfers took part in the competitions and considering that there were various other competitions on, as this is a busy season with all clubs, this figure is, indeed, a record one. In the morning stroke competition 103 took part and 98 entrants played in the fourball. Stewards on the course helped to avoid any hold-up and both visitors and members were loud in their praise of the wonder-
