Hard-Won Victory Went For Nothing

L IMERICK played their hardest match of the season so far, when gaining the upperhand against Dundalk yesterday. They eventually pulled through by 2-1, but the win meant little in the end, as St. Patrick's Athletic, by their easy success at Waterford, captured the Shield.

THE Limerick soccer team played
Their hardest match so far this season when beating Dundalk 2-1 at the Markets Field yesterday. The showery conditions were no deterrent to the supporters of the team. They turned up in large numbers to cheer on the favourites to victory, in the hope that St. Patrick's Athletic would flop at Waterford. As things panned out, the hard-won victory over the Oriel Park team went practically for naught and, at the same time, ruled out the prospect of a Shield final next Sunday between "Pat's" and Limerick.

TOUGH GOING
Limerick certainly found it tough going against this Dundalk team, which is a mixture of vouth and experience. The visitors forced such a huge number of corner-kicks that they were evidence of the panic which struck the home rearguaff amidst the fury of the do-or-die spirited raiders that made up the Dundalk front line. Munroe, Kelly and Lawlor were a very effective inside title, who, throughout, had the fury of the do-or-die spirited raiders that made up the Dundalk front line. Munroe, Kelly and Lawlor were a very effective inside title, who, there are source of great trouble to the harrassed defenders, who never worked with the same confidence as shown against Bohemians. The half-back line was not in the bright picture this time and the attack, with the wallace and Lynam the spear, leading the form being one down, the Limerick players deserve the solid Dundalk defence.

JACK MORTON'S BADMINTON CIRCUS IN LIMERICK

Many thanks to the Limerick Co. Badminton Association in bring-ing Jack Morton's famous Badmin-ton Circus to Limerick for the first time, and let us hope not the

first time, and let us hope not the last.

On Saturday night last, a near capacity attendance at the Diocesan Hall, Pery Square, were treated to a badminton show which blended instruction and entertainment the like of which had to be seen to be believed, and no words of mine could help to captivate the sheer brilliance of the play given by the circus troupe. Jack and his merrie men need no introduction from me because in the relatively short time they have been staging the Circus they have carved out quite a reputation for themselves in the badminton world.

OTHER MEMBERS.

Other members of this Circus besides Jack are J. J. Fitzgibbon, who has a record number of 34 caps for representing Ireland in International games; Des. Lacy, who was capped 16 times; Chick Doyle, who was capped 22 times, and Charlie McCormack, who has ten caps to his credit. J. Morton is the only uncapped member of the troups.

The programme was a varied one and consisted of (1) The Shuttle Chasers; (2) how to serve; (3) receiving service); (4) demonstration of different types of strokes; (5) testing shuttles and why and (6) how to play mixed doubles.

The troupe were only too pleased to answer any questions which the audience wanted to ask concerning badminton, and not only did they answer them but also demonstrated the finer points when postrated the finer points w
