## THE CUP DRAW

The first round of the FAI Cup games will be played the weekend of January 11th. Limerick FC have been drawn against Shelbourne, who have won this trophy for two years running. Dave Connell is confident that Limerick FC will make up for the 2-1 defeat in October, as well as last year's 5-4 loss to Shamrock Rovers in the first round at Tolka Park. "I was proud of our team when we were up there for the League Cup, it was as well as I've seen any Limerick side play over the years and I know they'll all be looking forward to this one" said Dave Connell. "We have a young side who are learning all the time and if we have the injuries which we are suffering from at the moment out of the way, then we'll be looking to cause a shock - we'll be going there to win."
