Christy Coll, with 40 goals to his credit, was probably the highest scorer in under-age football this season. The fast raiding Ballyclough inside forward tore gaps in some of the best organised defences and helped the South City club to two major prizes. Christy, who lives in Prospect, follows the fortunes of English First Div. club Everton. In three seasons with Ballyclough he has collected Top Four honours in the under-12 and under-13 grades, as well as League medals in both age groups. His aim is to help Ballyclough to further glory—and of course, to help himself to many more goals. This versatile performer is certainly one to watch.

## THANKS

Our thanks to Schoolboy Soccer Council, and in particular Mr. Pat Cusack, for their co-operation and assistance in helping to make this feature possible.

The annual presentation of schoolboy soccer awards was first introduced by "Hotspur" in 1963, and has since become one of the highlights of the local soccer calendar. The donors of the various trophies include such famous clubs as Manchester United, Tottenham Hotspurs, Arsenal, Blackpool and Sunderland, as well as Goal and Shoot soccer magazines.

**GER DUGGAN**  
(Fairview Rgs.)

A brilliant all-rounder, Gerry is long overdue a sports star of the year award. He first came into prominence with Wembley as an under-12, and in the past five years has maintained a very high standard. At present playing Junior football with Fairview, Gerry was an automatic choice for the under-16 award. The Garryowen youth has turned in some impeccable displays at inside-forward, and it cannot be too long until the shy and unassuming Duggan carves a name for himself. He plays an orthodox type of game, and those who are aware of his true capabilities will agree that he has all the qualities that go into the making of an outstanding striker. Ger is a true sportsman both on and off the field.

## UNDER-17

**PAUL HOGAN**  
(St. Munchin's)

Ard Scoil Ris pupil, Paul Hogan, made his mark in the 1972 season. Playing in three grades, under 12, 13 and 14, the likeable O'Callaghan Avenue boy steered St. Munchin's to glory in the under 13 Cup. Paul is showing great potential as a winger—his favourite player is Liverpool's Kevin Keegan—and is destined for higher honours. He has a keen sense of anticipation and in his thirty games with St. Munchin's he rarely failed to hit the jackpot. With four more years in schoolboy ranks he could well create a new record in goal-scoring. Perhaps it is true to say that Paul is the most feared striker in the lower grades. His ambition: To help St. Munchin's to more trophies.

## MOST PROMISING PLAYER OF THE YEAR

**PETER DONNELLY**  
(Mayorstone)

That Mayorstone had such a successful season in the under 12 and 13 grades was due in a big way to the efforts of their 'keeper, Peter Donnelly. Peter has a style all his own and teamed up with Mayorstone following a short spell with St. Clements. Over the last three months he has collected under 12 'B' League and Top Four honours.
