WON 6-A-SIDE EVENT

The Garryowen team which won the annual inter-district six-a-side competition by defeating Kileely at Cals Park. Front row: Des Kennedy, Ron Walsh, Derek Hackett. Back row: Noel Harty Ger O'Donovan and Mick Ryan.

Over 50 boys competed in this season's competition which is sponsored annually by Wembley Rvs. A.F.C. Indeed, it was Wembley Rvs. schoolboys who were responsible for the running off of this competition. They sup-

plied their own referees and linesmen and arranged the fixture list. Mr. Tony Heyden, team manager to Wembley Rvs., believes in letting his young charges share some of the responsibility that goes into organising such a com-

petition, and feels that it will stand them in good stead in the years to come, when they may be called upon to organise events of a similar nature. This year's competition was run over a period of six weeks and was an unqualified success.
