Reception, presentation for Sean O'Sullivan

Sean O'Sullivan of Tournafulla, a member of the Kilmallock Athletic Club, was accorded a great reception at Kilmallock recently when he was guest of honour at a dinner given at the Central Kilmallock, and was made a presentation of an Oscar on behalf of the club at a function at the People's Hall Kilmallock.

Sean O'Sullivan this year became the first Irishman ever to win eight Irish distance running titles in the one season.

Canon Cowper said that the purpose of the function was to pay tribute to the outstanding Irish athlete of the season, Sean O'Sullivan. He had won eight Irish titles and five Munster titles this year. They were particularly proud of the fact that he was an honoured and loyal member of the Kilmallock Club, and he was to be congratulated on his fine achievement.

Very Rev. W. Canon Carroll, P.P., Rathkeale, who made the presentation of the Oscar to Sean O'Sullivan, dealt with his career. He had, he said, competed in 26 races this year and he had lost only one, and that was to his club mate, John Downes. He had the greatest admiration for Sean O'Sullivan, and not far behind him his brother, Michael.

Proposing the toast of "The Kilmallock Athletic Club," Mr. Sean Murphy, Chairman of Limerick Co. Board, N.A.C.A., said that down through the years Kilmallock had been steeped in athletics. Not far from Kilmallock were the Leahy brothers of Cregane, and Sean Condon once lived in Kilmallock. When the Kilmallock Club was revived, they won the novice and junior cross-country championships for two years in succession. He said that in 1961 John Downes of Kilmallock won six Irish distance titles, and in 1962 Sean O'Sullivan swept the board winning, in all, eight Irish titles in distances ranging from 3 miles to 10 miles, giving a performance that is unlikely to be equalled ever. He paid tribute to Mr. R. Gould, Secretary of the club, which was, he said, a model of perfection and which catered for all athletes from youths to seniors.

SPLIT

Proposing the toast of "Our Association," Mr. R. Gould, Secretary of Kilmallock Club and Secretary of Limerick County Board, said that athletics had been in the news for the past month or two. They had European Games recently, and some people not quite in touch with the athletic position in this country, such as it is, may wonder why Sean O'Sullivan was not eligible to compete in those Games. We feel that there is no Irishman who could compete with Sean O'Sullivan from 3,000 to 10,000 metres.

The attendance included: Mr. C. O'Neill, Chairman, Limerick County Council; Mr. C. Keane, M.C.C., Kilmallock; Rev. Father Dillane, C.C., Tournafulla; Rev. J. Culhane, C.C., Kilmallock; Mr. J. J. Kenneally, Limerick; and Mr. E. O'Connor, Telford, Eireann.

D.J.'s tribute to Sergeant

"He was a first-class officer and his reputation in crime detection must be unique in so far as that any matter in which he took part in the investigations was not left to the police."

Objectors to will had no solicitor

TWO women appeared at Limerick Circuit Court on Wednesday without a solicitor in a case in which they were objecting to the registration as owner of the executor of a will of an 86 acre farm in Co. Clare, under the Registration of Title Act, 1881. They were nieces of the person who made the will.

They were Mrs. Bridges Hynes, Gortnaglough, Broadford, County Clare, and Mrs. Ellen Moloney, by Messrs. J. J. Sexton, solrs., appeared for John Ryan, the executor of the will.

Mrs. Hynes and Mrs. Moloney stated that they had contacted a solicitor in Limerick on the morning of the court, but he told them to seek an adjournment of the case as he had to go to another Court that day.

ADJOURNED

Mr. Justice Barra O'Brien told them that it was no use seeking a solicitor on the morning of the Court, and he asked them why they had not done so earlier. He adjourned the case until Wednesday to give them an opportunity of seeking legal advice.

The 86 acre farm referred to in the case was that formerly owned by the late Michael March and is situated at Ballykelly, Broadford, Co. Clare. Mr. Kinlen stated that Michael March, a bachelor, died intestate in 1944 and he was registered in 1950 as the owner. His sister, Ellen Marsh, continued to live in the house until her death on May 3, 1960. She died testate and left the land in trust for Patrick Loughman until he would attain the age of 21 years. She named John Ryan as the executor of the will.

Ellen Marsh had three nieces, one of whom (Mrs. Loughman) consented to John Ryan being registered as the owner for the purposes of the Registration of Title Act. The other two were Mrs. Hynes and Mrs. Moloney.

When asked by his Lordship as to why they were objecting to the Registration, Mrs. Hynes replied that they hoped to get some money. Mrs. Moloney stated that she came to live at Marsh's in 1944 and she was there until 1952, living with her aunt, Ellen Marsh.

Mr. D. Kinlen, B.L., instructed Broadford.

Justice warns motorists

MOTORISTS will have to learn that they cannot drive cars as if they were driving tanks," Justice M. de Burca stated in the Limerick Rural Court on Wednesday during the hearing of a dangerous driving charge between two motorists.

Before the Court were Michael Noonan, 61 Clare Street, and Sean O'Neill, Drombana, Co. Limerick, and they were both charged with dangerous driving on July 22 last. Supt. E. O'Riordan, prosecuted, and Mr. M. Tynan, solr., appeared for Noonan, and Mr. Desmond O'Malley, solr. (jnr.), appeared for O'Neill.

Michael Noonan, who walked to the witness box on crutches, said that it was on a Sunday morning he was driving the Volkswagen to a match in Cork. He was alone in the car and was travelling at about 35 miles an hour on his correct side of the road.

Some distance before Drombana Creamery he saw a Ford Consul car approaching. He slowed up and almost stopped on the grass margin, but the Ford Consul car hit his car on the right hand side, glanced off and a trailer attached to it crashed into the car also.

ROAD WIT

Sean O'Neill, the second defendant, said that at the time of the accident, he was going only 25 m.p.h. The road was wet at the

Labourer charged with taking car

DONAL DILLON, farm labourer at Ballykennedy, Ballingarry, was charged with taking a car without the consent of the owner and driving without insurance cover or driving licence at Kilmacow on Sept. 2.

Defendant, in reply to Justice J. P. Fegan, admitted the offences, as said he never held a driving licence.

Inspector Spillane explained that after returning from Ballingarry on September 20, defendant saw a car at the back of a farm-house where he had been previously employed. The keys were in the car, which defendant started and drove toward Ballingarry. In the way the car stopped on the road and defendant thinking it was due to shortage of petrol, sleep in the car for the night. He then went to Ballingarry to get some petrol, but found he could not start the car. By the time the Guards, having got a complaint, arrived on the scene, defendant was apprehended. It was ascertained that damage to the car, of £28 18s. had been caused by the gearbox of the car, appeared due to the bad driving of defendant and that this, and not shortage of petrol, caused the car to stop.

Justice J. P. Fegan said he would adjourn the case to the Janu Court in order to give defendant opportunity of paying compensation for the damage to the car. Defendant was fined £1 for driving without a licence, and the other summonses for taking the car without consent and driving with insurance would stand adjourned.

Buses and travel vouchers from East Limerick

REQUESTS that C.I.E. be asked to put on an extra bus in morning time to bring patients from East Limerick to attend clinic at the Regional Hospital, made at Saturday's meeting of Limerick Health Authority by C. O'Neill, Chairman of the Limerick County Council. He also requested the free travel vouchers issued to all people in the income group in all areas.

The City Manager, Mr. J. McDermott said that there was objection at all to the issue of vouchers, and he thought that time was opportune to app C.I.E. to provide an extended vice.

DISCONTINUED SERVICE
At the outset Mr. O'Neill said very recently C.I.E. discontinued bus service that left at 11.35. of the appointments for the in the Regional Hospital were hours prior to that time onwards. People travelling the eastern end of the county seriously handicapped as they themselves 90 minutes late. was no fault on the part of people in the hospital, but medical staff were at a great advantage there. He said wanted an extra bus put on morning time, and made available the people in the eastern end of county. This would ensure patients would arrive at the on time.
