REPORT OF PUBLIC ANALYST.

To the Grand Jury of the County of Limerick.

MR. FOREMAN AND GENTLEMEN,

I beg leave to report the particulars of the work which I have performed as your Analyst, since the date of last Assizes.

A specimen of milk was examined for the Sanitary Officer at Shanagolden, and found to be pure. Five specimens of milk were examined for the Guardians of the Limerick Union; two were proved to be pure and the others were adulterated.

The venders of the adulterated milk were prosecuted by the Guardians, and all were convicted; one was fined £5 or two months imprisonment, another was mulcted in the sum of £5 also, and upon the third a fine of £2 was imposed. The total amount of the fines was therefore £12.

There being an outbreak of fever at Shanagolden, the water in use there was submitted to me for Analysis, and found to be highly polluted with sewage, and utterly unfit for use.

Several waters have been sent to me for examination by the Guardians of Newcastle Union, but their analysis is not completed.

I regret that I have not more official work to report, but I beg to recall to mind that in my last report I recorded the performance of 51 analyses.

I am glad to be able to state that private persons are beginning to take advantage of my services; I made since last Assizes 12 analyses of oil cakes, guano, and other articles, at almost nominal fees, for persons resident within the County.

I am, Gentlemen,

Your obedient servant,

CHARLES A. CAMERON,

Public Analyst and Chemical Officer,

for the County of Limerick.

Royal College of Surgeons, Dublin,
29th June, 1877,

LUNATIC ASYLUM.

Committee's Report, July, 1877.

We, the undersigned Members of the Summer Grand Jury, (July, 1877,) were directed to report on the general condition of the District Lunatic Asylum.

The Resident Medical Officer, Dr. Courtenay, afforded us every facility, and took us over the Establishment; we have much pleasure in reporting on its much-improved condition. The patients looked remarkably healthy, and seemingly well clad. The dormitories clean and well ventilated. The bedding also in good order.

The new laundry now finished and in good working order; new kitchen also, a great advantage.

The farm well cropped, also new garden in forward condition.

The new form of accounts, introduced by Lord Clarina, were laid before us, and were much pleased with them; they were, we believe, kept by his Lordship up to a very recent date, and handed over to the Clerk, Mr. Bodkin, fully made up.

We can only refer and call the particular attention of the Grand Jury to the very clear and explanatory letter of Lord Clarina as to the duties of the Bookkeeper and Storekeeper, and also to the Auditor's full report in the matter, as, no doubt, much depends on the manner how the accounts of such a large establishment are kept. The Financial Report is before you, and we much regret having to report the resignation of Lord Clarina from the Finance Committee, whose services since he became a Member of the Board of Governors have been most valuable, and productive of much benefit to the Institution, and we hope the Grand Jury will ask his Lordship to withdraw his resignation.

WILLIAM G. GUBBINS,
D. F. GABBETT,
GERALD BLENNERHASSETT.

July 12th 1877.

COUNTY INFIRMARY.

July 11th, 1877.

We, the Committee appointed by the Grand Jury to examine and report upon the Public Charities, beg to report as follows:—

We have gone over the County Infirmary, and find this day present 20 patients, all paying at least seven shillings per week, in advance. One patient, a clergyman, pays 10s. per week for a private room, and finds his own support. No sum is, we are informed, charged against the County on account of the expenses of a pauper inmate.

It appears to us that the regulations framed by Lord Clarina's Committee, and adopted by the Grand Jury at last Spring Assizes, as the basis of their presentment of £75, have been fully carried out by the Infirmary Authorities, as far as admission, dietary, and general regulations are concerned.

The accounts have been submitted to us, and an abstract given to the Grand Jury; we have looked over them and find them correct.

We have inspected the Establishment, and find it clean and airy, and the patients apparently well cared. No complaints have been made to us.

Fifty-eight patients have been treated in the house since January 5th, 1877.

Considering that the regulations proposed by Lord Clarina's Committee have been fairly carried out, and being unwilling that an Institution, which supplies medical assistance upon easy terms to the class of persons intermediate between the rich and poor, should fall to the ground for the want of a presentment from the County in aid of the establishment charges, we recommend that a sum of £75 be now presented by the Grand Jury to the County Infirmary.

There is now no paid Apothecary. The establishment, exclusive of medical men, consists of a matron, one nurse, and one permanent general servant, with occasional temporary assistants. Dr. Holmes resides in the house, and has the use of rooms, fire, and light.

COUNTY LIMERICK GAOL.

11th July, 1877.

We, the Committee appointed by the Grand Jury at the Summer Assizes, 1877, have visited the County Gaol, and inspected the various departments, and found them perfectly clean and in good order, and highly creditable to the Governor and to the other Officers. We are happy on this occasion to congratulate the Grand Jury on the peaceable condition of the County, as shewn by the few numbers in gaol, viz.—40 males and 3 females, belonging to the County. We have inspected the vouchers and accounts, and found them correct. We also recommend that the sum of £914, asked for by the Board of Superintendence. be granted by the Grand Jury.

Mr. Duffin, C.S., Western Division, has laid before us the requisition for a new court-house at Abbeyfeale, and has stated that one sufficient for the requirements of the place can be built for a sum not exceeding £400, but his plan and specification were not yet prepared.

COUNTY SURVEYORS' REPORTS,

Summer Assizes, 1877.

REPORT of the County Surveyor of the Eastern Division to the Grand Jury of the County of Limerick, assembled at Summer Assizes, 1877.

GENTLEMEN,

It is my duty to report to you relative to the state of the Works under my charge, as well as the proposed Works at the late Presentment Sessions.

The usual applications for payment were fully considered.

I regret to say that there was no Presenting Sessions holden at Hospital or Murroe; but I have arranged with the several Contractors, whose term of contract has expired, that they should, with your consent, hold on their contracts until next Assizes, at the same rate as they had them at. There were no new works of any moment proposed for those Baronies, so there can no delay or inconvenience of any kind arise from this cause.

The general condition of the roads is tolerably fair, and in very few instances have they got what I consider bad.

Footpaths in progress in Owneybeg, Small County, and Pubble Brien, Costlea, and Coonagh, are not yet completed, nor in some instances begun; but I purpose taking proceedings against the Contractors at October Sessions, should fair progress not be made before.

I hope to be able to get a Contractor to build a bridge across the Bilboa river, where it is much needed; and I am given to understand, a subscription in aid of the Presentment of £400 unanimously adopted and certified by the Grand Jury at last Assizes, will be forthcoming. Plans and specifications are in the Secretary's office.

It will be necessary for you to present a sum of £15 to me to repair a guard wall to the road and river at Lord Massy's lime-kiln near Galbally, the floods of the last winter and spring having cut away the foundation, which I had no opportunty of observing before 21st June, when I examined it carefully.

The Court-house at Kilmallock, which was commenced about 1st June, is progressing fairly.

I trust you will be pleased with the painting, &c., of the Criminal Court. The rest of the painting about the house is only in its primary state, but will, I expect, be as well done. Your Contractor has been most anxious to do everything in the best manner.

I will ask you for a short list of suspension payments, in consequence of works in progress not being quite finished when last seen, and I have had no opportunity of seeing them for the last fortnight, being occupied with other works in the District.

My table of mileage, cost, and rate I have prepared and lodged with the Secretary.

I have the honour to remain,

Your obedient servant,

THOMAS FOSBERY.

Report of the County Surveyor of the Western Division to the Grand Jury of the County of Limerick, assembled at Summer Assizes, 1877.

Mr. Foreman and Gentlemen of the Grand Jury,

I beg to lay before you my Report on Works in my charge, and on Works applied for at last Presentment Sessions.

I have expended the greater part of the sums ordered by you, under the 146th section, at last Assizes, on the roads, and with good results. I have also got one or two orders from the Magistrates, and expended them and the sums levied under decrees against defaulting contractors.

I have completed the bridge over the river Deel at Ballinisky. Before putting the iron in place, part of the old timber bridge and one hand-rail were stolen, and I was obliged to do some temporary work to ensure the public safety. I have to apply to you for a small sum, under the 38th section, to pay for this. There was also another robbery of timber and rope committed during the execution of the work.

The renewal of Abbeyfeale bridge, between the counties of Limerick and Kerry, is making fair progress.

Mr. Michael Walsh, of Foynes, has taken the contract from me for making the new line of road from Pallaskenry to Rathkeale, and has made excellent progress with it. Should you wish it thrown open to the public, it can be done in about two months, from Curragh-chase, as far as Cappagh chapel, but in that case it will be necessary to present money sufficient to keep it in repair until Spring Assizes. The money for making the road has been presented in instalments, and, as I have to expend it, I must ask you for an order to your Treasurer to advance the instalments.

I have had some correspondence with Mr. Tighe, the Engineer of the Waterford and Limerick Railway, relative to the bridge proposed, to carry the road under the railway. He requires that the abutments should be built for a double line of railway, and as all the bridges on the line are so built, I think you must comply. He also requires that you should keep the bridge in repair for the future, and if you must do so, I should recommend an iron platform. Under these circumstances, more money will be required than that applied for; and I should recommend that you reject the present presentment, and allow another application to be made at next Sessions. This will only delay the opening of that portion of the road for a few months.

Considerable progress has been made with the new road in Glengurt and Templeglantine, Barony of Glenquin, and the work has been done in a very satisfactory manner. The road can now be opened for traffic.

The applications for payment came before the respective Presentment Sessions as usual. In all cases of road contracts, where the supplies of metal had been used and the roads were in fair order, I gave certificates.

Applications were made for the renewal of all expiring maintenance contracts, and for those where decrees had been obtained and the contracts broken. Some of the former are for important roads, and I shall report verbally on them as you come to consider them.

The applications for special works of any importance are as follows:—

Lower Connelloe.—An application to build a bridge under the Limerick and Foynes Railway, to which I have referred before. An application by myself to rebuild the timber bridge over the river Deel at Beaufort with iron, £390, half on the Barony of Glenquin. Tenders for this work were referred to Assizes.

An application to repair the bridge over the river Deel at Newbridge, which is a most necessary work.

Shanid.—An application for a new line of road from Newcastle to Glin, which I consider will be a useful road, £400 to be certified.

An application to lower fence and widen a part of the road from Athea to Ardagh—a most necessary work.

The remainder of the works are of the usual character, and I shall report on them as they come before you.

It has been proposed to build a new Petty Sessions Court-house at Abbeyfeale, and I shall ask for your instructions as to making the application at the next County at Large Presentment Sessions, and as to the cost, and the preparation of plans.

I obtained decrees against Patrick Gilborne, John Kelly, Timothy Larkin, and Patrick Linane, for maintenance contracts, and against James Begley two, and Patrick Fitzgerald and Maurice Makessy, for special works, together with their securities, and must ask for your instructions as to the execution of the decrees.

I have to make application to you for one or two small sums, under the 38th section.

I have compared the Treasurer's No. 2 Account, so far as it refers to my Division, and find it correct.

I beg to submit a comparative statement of the mileage and cost of maintenance of roads under contract at last Assizes.

I shall ask you to grant me my usual order, under the 146th section, and suspension list, both of which are very short.

I have the honour to be,

Mr. Foreman and Gentlemen,

Your obedient servant,

W. E. L'ESTRANGE DUFFIN,

County Surveyor, W.D.

RESOLUTIONS OF THE GRAND JURY,

From Spring Assizes, 1861.

Spring Assizes, 1861.

ORDERED—That a Committee, consisting of the Hon. S. E. Spring Rice, Mr. Croker, Mr. Considine, Mr. Delmege, Colonel Dickson, M.P., Mr. E. Gabbett. and Mr. William Smith O'Brien, be appointed for the purpose of ascertaining whether an arrangement can be made for relieving the City of Limerick, and for promoting the interest and convenience of the inhabitants of the Counties of Clare and Limerick, by purchasing from the Board of Works the Tolls of the Wellesley Bridge. That such Committee have power to carry on their inquiries in the interval between this time and the next Assizes, and to report to the Grand Jury at next Summer Assizes.

ORDERED—That we direct our Solicitor to take Counsel's opinion as to whether the County is to keep the roads both over and under the railways in repair, as also the bridges, and the approaches thereto, or whether the several Railway Companies are legally bound to do so.

Summer Assizes, 1861.

RESOLVED—That our Solicitor, Mr. Murphy, be directed to obtain Mr. Brewster's opinion as to the respective liability of the County, and of the Railway Companies, for the maintenance of roads on the surface of bridges over railways and the approaches thereto.

ORDERED—That John W. Channer, Esq., Sub-Inspector of Constabulary at Adare, be appointed to stamp and adjust the Sub-Standards of the County of Limerick, pursuant to the 7th section of the 23rd & 24th Victoria, cap. 119, and to have custody of the County Copies pointed out in section 6.

RESOLVED—That it is the opinion of this Grand Jury that a Protestant and a Catholic Chaplain ought to constitute a part of the staff of the County Infirmary.

Spring Assizes, 1862.

ORDERED—That Mr. Murphy, our Local Solicitor, shall take such steps, consistent with public convenience, as shall relieve the County from the charge of keeping in repair the roads passing over and under Railway bridges in this County.

RESOLVED—That it is the opinion of this Grand Jury that it would be very desirable and conducive to the public service, that the Coroners in Ireland should be placed under a similar footing with the Coroners of England, as provided by the 23rd Vic., cap. 116, sec. 4, by substituting fixed salaries in place of fees, and that our Secretary be requested to convey this resolution to the Chief Secretary for Ireland, and that our County Members be requested to co-operate.

That a condition be attached to Presentment for County Hospital, requesting that in future the Governors shall reserve the Charity for County Patients only.

It was proposed to the Grand Jury that Ten Beds should be reserved in County Infirmary for City Patients,—Eleven voted for—Ten against. In a question of this nature is a Jury of Twelve necessary ?

Ruled by the Court that there should be a Jury of Twelve for.

With reference to observations made by the Judge of Assize regarding the instances of undetected crime, we, the Grand Jury of the County of Limerick, cannot help remarking that, in our opinion, the Police Force is assuming too much of a military character ; we do not wish to cast any imputation upon a body of men whose conduct and general behaviour have always been most exemplary—especially those officers and men connected with our own County—but it is obvious that, taking them from their legitimate duties to exercise and drill them as soldiers, sending them to Hythe to compete with the army in rifle shooting, and keeping an unnecessarily large reserve in Dublin, for the support of a large portion of which the Counties are annually taxed, materially interfering with an effective system of discovering agrarian offenders.

We would also observe that the practice of appointing military officers to the higher ranks of the force is a great discouragement to the officers of the Police in the execution of their duties, a very great injustice, and deprives them of their legitimate chances of promotion.

Summer Assizes, 1862.

Resolved—That it is the duty of the County Surveyors to report to the Grand Jury all cases in which contracts have not been properly performed, specifying those cases in which they are of opinion that proceedings ought to be taken against the Contractors or their Securities. This resolution is not intended to interfere in any way with such proceedings of a summary nature as the County Surveyors may think it right to adopt for securing the due performance of Contracts.

Spring Assizes, 1863.

Resolved—That the sum of £3,000 be borrowed for the purchase of premises for the accommodation of the Royal Limerick County Regiment of Militia, such sum to be raised by mortgage on the rates of the County, under the provisions of 17th & 18th Vic., cap. 107, sec. 39.

And that the following persons are appointed a Committee for carrying out the above object, and for laying out the money to the best advantage :—

Edward Croker, Esq.,
Henry Maunsell, Esq.,
George Fosbery, Esq.,
George Vandeleur, Esq.,
Sir William H. Barrington, Bart.

Immediate. Dublin Castle, 3rd March, 1863.

Sir,

I am directed by the Lord Lieutenant to state for the information of the Grand Jury for the County of Limerick, that his Excellency finds from the report of the Inspector-General of Militia, that the house at present occupied by the stores of the County Regiment of Militia is very inconvenient, and that a house and ground which have been offered, and which could be obtained and repaired for the sum of £2,500, have been officially inspected, and appear to be well fitted for the accommodation both of the stores and of the permanent staff, for whom his Excellency considers it very desirable that quarters should be provided in the storehouse. His Excellency, understanding that a proposition for the purchase of the premises referred to will be submitted to the Grand Jury at the present Assizes, strongly recommends it to their favourable consideration.

I am to add that the amount of the lodging money allowed by the War Department for the members of the permanent staff who may be provided with quarters in the proposed storehouse, will be paid by the Secretary of State for War to the County Treasurer, as provided by the 23rd & 24th Vic., c. 94, s. 10.

I am, Sir.

Your obedient servant,

THOMAS A. LARCOM.

Resolved—That inasmuch as it has been pronounced to be contrary to law that any Road Contractor should be paid for any work except that executed in the half-year next preceding the Presentment Sessions at which the demand for payment shall have been proposed, the Grand Jury direct the County Surveyors to govern themselves accordingly ; and the Grand Jury further acquaint those officers that any breach of this regulation will be considered equivalent to a misapplication of the public funds.

Resolved—That it is necessary and advisable that the Magistrates at Road Sessions enquire into the solvency of the Contractor as well as the Securities, in every case presented, and that the Act of Parliament be carried out strictly, requiring all the parties to be worth severally "twice the amount of the contract." That the Secretary of the Grand Jury communicate this to the several Sessions.

Resolved—That in future the names of the Magistrates granting all peremptory orders for the repairs of sudden breaches in roads or bridges, should be inserted in the printed list of "Magistrates' Orders," presented to the Grand Jury, with the date of such order for each work so ordered by said Justice.

Ordered—That the County Surveyors serve notice on the several Railway Companies requiring them to repair and keep in repair from the present Assizes the several approaches over their respective railways, as decided in the Court of Queen's Bench, on 3rd February, 1863.

Summer Assizes, 1863.

The Grand Jury Secretary having represented to this Grand Jury that very serious inconvenience and interruption to the public business has resulted from the irregular mode and unreasonable hours of lodging Tenders for Public Works in his Office,—ORDERED—That the Grand Jury Secretary is hereby directed not to receive a Tender *under any circumstances* after Six o'Clock, p.m., on the days appointed for receiving them.

ORDERED—That the County Treasurer be authorised to pay the Collectors of County Cess, out of the County monies in his hands, the amount of their poundage, on paying to him the amount of their warrants.

Spring Assizes, 1864.

ORDERED—That the County Surveyors be directed to take proceedings in all cases in which the Contractors have not used due care to execute works within the period of their contract.

RESOLVED—That the Barony Constables be required to pay up the full amount of their Warrants to the County Treasurer two days previous to each Assizes, or in default shall lose the poundage to which they would otherwise be entitled.

Summer Assizes, 1864.

RESOLVED—That it is the opinion of the Grand Jury that Magistrates' Orders should be strictly confined to cases of sudden damage which cannot be remedied in the ordinary course by presentment at Sessions; and further, that the work sanctioned by Magistrates' Orders be in all cases confined to such temporary protection of public traffic as the circumstances of the case may admit, and that the County Surveyors are hereby instructed to take particular care that the works for which Magistrates' Orders are given shall be completed before the Assizes next following the issue of such orders.

ORDERED—That a copy of the foregoing be sent to every Magistrate in the County.

Spring Assizes, 1865.

RESOLVED—That Poole Gabbett, Esq., be, and is hereby elected to fill the office of Secretary to the Grand Jury of the County of Limerick, in room of the late Edmond Gabbett, Esq., deceased.

ORDERED—That the County Treasurer be authorised to pay the County Gaol Chaplains and the County Coroners the amount of their Presentments when made at each Assizes.

RESOLVED—That the County Surveyors be permitted to use their discretion to postpone payment to Contractors for one half-year, on maintenance works, when they may think it useful to the public so to do. But the County Surveyors can only be permitted to allow this deferred payment when the work shall be satisfactorily performed within the next half-year.

REPORT ON COUNTY SURVEYORS.

The Committee having examined the two County Surveyors, and enquired into the system of management, in the two districts, are of opinion, that in consideration of the salaries of the County Surveyors being increased to £400 per annum, they be allowed only £25 per annum each for a Clerk and Office, and £80 per annum for one Certified Assistant each; this would be a reduction from £1,220 to £1,010, being a reduction of £210 per annum. The Committee also are of opinion that the County Surveyors ought not to withhold a certificate on the report of an Assistant without corroborating it by personal inspection. The Committee are also of opinion that immediately upon fault being found with a contractor, notice should be given to him of the nature of the fault and the remedy to be applied.

Summer Assizes, 1865.

We order and direct the County Surveyors to take charge of Works necessary to be done under 6th & 7th Wm. IV., cap. 116, sec. 54, and we direct the County Treasurer to advance under 20th & 21st Vic., cap. 15, sec. 2, such sums as may be necessary to pay the workmen employed, not exceeding the amount of the presentment in each case, upon the County Surveyor's certificate of the due execution of the work.

ORDERED—That Mr. Brett's attention be called to the statement made by him before committee of the Grand Jury relative to his want of confidence in one of his Assistants, and that he be distinctly informed that the Grand Jury hold him exclusively responsible for the efficient discharge of his duties.

REPORT—The Committee consider that the reduction of County Surveyors' Assistants, proposed at the last Grand Jury, is inexpedient, inasmuch as from the manner in which the contracts are framed in this County, (which does not appear to have been brought under the notice of the former Committee), less supervision than is at present given would be detrimental to the proper keeping of the roads; and further, that the amount allowed for a Clerk's salary, considering the nature of his duties, and the expenses entailed on him, is not excessive.

ROBERT HUNT,
EDWARD W. O'BRIEN,
EDWARD CROKER,
JAMES C. COOPER,
RICHARD EATON.

RESOLVED—That it is expedient to enter into an agreement with the Corporation of the City of Limerick, for providing a joint common gaol for the County and City of Limerick. That the following five members of the Grand Jury be a committee of said County Grand Jury to regulate and make such agreement:—

SIR WILLIAM BARRINGTON, BART.
HON. JOHN MASSY,
EDWARD W. O'BRIEN, ESQ.,
HEFFERNAN CONSIDINE, ESQ.
RIGHT HON. W. MONSELL, M.P.

ORDERED—That the County Treasurer be authorized to pay Samuel Hunt, Esq., Apothecary, and Mary Roche and Joseph Gabbett, retired Matron and Turnkey of the County Gaol, the amount of their salaries when presented at each Assizes.

ORDERED—That the County Treasurer be authorised to procure from the Limerick Water Works Company a supply of Pipe Water for the use of the Royal County Barracks, at a rate not exceeding Eight Pounds per annum.

ORDERED—That the County Treasurer be authorized to pay the Premium of Insurance on the Royal Barracks out of the sum of £12, available in his hands, being a saving on the sum of £36, presented at Spring, 1865, for Insurance of County Gaol and County Court-house, owing to a reduction of Duty; and further, that the Royal Barracks be included in future presentments for Insurance of County Buildings.

Spring Assizes, 1866.

RESOLVED—That in future, in the case of new contracts, when the County Surveyor has reason to complain of Contractors who, from incapacity, are unable to carry out their contracts, upon due notice being given by the County Surveyor, they shall be required to attend before the Grand Jury, who will then proceed to consider whether their contracts be not rescinded.

ORDERED—That the County Treasurer be authorised to pay the Local Inspector and the Medical Attendant of the County Gaol the amount of their salaries when presented at each Assizes.

The Grand Jury of the County of Limerick beg to express their strong sense of the energy, propriety, and loyalty of the Police Force. The Grand Jury regret that insufficient pay is causing a rapid diminution of so valuable a force, and strongly recommend to the Government a careful consideration of the pay and allowances of the Constabulary.

That Thomas Fosbery, Esq., County Surveyor, Eastern Division, do make a contract for keeping in repair the roofs of the Royal Barracks.

Summer Assizes, 1866.

ORDERED—That the Board of Gaol Superintendence be authorized to pay the expense of Water and Gas supplied to the Royal Barracks.

Summer Assizes, 1867.

RESOLVED—That our Foreman be requested to communicate with the Government on the subject of the proposed Fortification of Police Barracks, and to convey the unanimous opinion of this Grand Jury, that it is impolitic and unjust to require the owners of Police Barracks to incur the heavy expenses for public purposes without a just increase of rent and a permanence of contract.

ORDERED—That the County Surveyors be directed to notify to the Proprietors of the Petty Sessions Houses, which are not in a proper state of repair or cleanliness, that presentment of the rent will be withheld at next Assizes if the necessary repairs and cleaning are not properly made within a reasonable time, or not attended to thereafter.

Proposed by Mr. Powell, seconded by Mr. William G. Gubbins—That the next Special Road Sessions for the Barony of Clanwilliam be appointed to be held at the Petty Sessions House of Castle-Connell.

RESOLVED—That two successive Grand Juries of the County of Limerick have carefully considered the Gaol By-Laws, submitted to them for their opinion and sanction.

That the Grand Jury at the Summer Assizes, 1866, approved the By-Laws with certain qualifications, on the subject of the separate confinement of untried prisoners.

That the Grand Jury at the Spring Assizes, 1867, having been informed that the said qualified approval was informal, again carefully considered the question, and finally adopted, and inserted in the proposed By-Laws, a clause providing that the separate confinement of untried prisoners should be subject to such relaxation as might be approved by the Board of Superintendence.

That the Grand Jury having been now informed that the said clause has been expunged from the copy of the By-Laws sent down to be printed previously to being submitted to the Law Officers of the Crown, think it their duty to reiterate the opinion recorded by two successive Grand Juries, and to declare their determination not to sanction a code of By-Laws from which the said important principle shall be excluded.

Resolved further—That a copy of this resolution be communicated to the Chief Secretary of the Lord Lieutenant.

Spring Assizes, 1868.

ORDERED—That the next Special Road Sessions for the Barony of Clanwilliam be held at the Petty Sessions House, Ballyneety.

RESOLVED—That the Adjutant of the County Limerick Regiment be requested to furnish our Secretary, upon each occasion, a proper account of the Lodging Money before lodging it in Bank to the credit of the Treasurer of the County.

ORDERED—That Sub-Inspector Kelly be appointed to have charge of the County Copies of Imperial Weights and Measures, in room of the late Sub-Inspector Channer.

ORDERED—That the County Surveyors be directed to lay before the Grand Jury at each Spring Assizes in every year, a Schedule of all Monies under the head of Undischarged Queries, which may be represented for the benefit of the County, by reason of the same being surplus monies after the execution of the works, or of the forfeiture of the contracts, or for any other reason.

GREAT MUNSTER FAIR.

REPORT OF COMMITTEE.

We have fully examined the Accounts of Income and Expenditure for the half-year ending 31st December, 1867, and found same correct.

We have considered, in conjunction with Mr. Anglim, the subject of the expenditure, with a view to its reduction, and have found that, consistently with the magnitude of the Fair, it has been reduced to the lowest amount, whilst the raising of the rates has increased the sum arising from the tolls to a considerable degree since Autumn, 1866.

WILLIAM JONES,
RICHARD J. GABBETT,
OCTAVIUS KNOX.

Summer Assizes, 1868.

ORDERED—That Croker Barrington, Esq., be appointed Solicitor to the Grand Jury of this County.

RESOLVED—That the Grand Jury are of opinion that where persons become securities for several contractors, their liabilities under preceding contracts shall be duly taken into account in considering their value as securities for new contracts.

ORDERED—That the Special Road Sessions for the Barony of Clanwilliam be held alternately at Ballineety and Castle-Connell; the next Sessions to be held at Ballineety.

Summer Assizes, 1869.

Thomas Fosbery, Esq., County Surveyor, Eastern Division, having appointed Thomas Ryan, Assistant Surveyor, Eastern Division, in room of Michael Spellman, deceased, the Grand Jury sanction his appointment.

RESOLVED—That having taken into consideration the letters of the Rev. Laurence C. P. Fox, and P. J. Murray, Esq., we hereby agree to grant the sum of Two Shillings and Sixpence capitation for each offender committed to the several Irish Reformatories.

Spring Assizes, 1870.

RESOLVED—That the Rate of Poundage to be paid in all cases for collection of Grand Jury Cess be reduced from Ninepence to Sixpence per pound.

ORDERED—That our County Printers shall provide the Barony Constables with the printed matter needed for collection of County Cess.

LIMERICK MARKETS.

We have ascertained that the result of sixteen years management by The Market Trustees is as follows :—

Income,	£6,000			
Cost of Collection,	2,900			
Balance,		£3,100	0	0
Of which Corporation Share,		1,300	0	0
		£1,800	0	0

DEBT INCURRED.

Purchase of Land,	£23,356
Buildings,	6,765
Law Costs,	8,013
	£38,134

The principal creditor insists on £600 a-year being applied as a Sinking Fund. With a view of raising sufficient funds it is proposed to go before Parliament for a third time to obtain sanction to an increase of tolls, expected (perhaps fallaciously) to produce £1,320 a-year, a flourishing condition of our Markets being essential to the interests of the County. It appears to us a stop should be put, if possible, to a course of management which has led to such results, and we recommend that a clause be inserted in the proposed Bill, whereby the management shall be vested in Twelve Trustees instead of Twenty-seven, in proportion of Six from Corporation and Chamber of Commerce and Six from the Spring Grand Jury. Should this be accepted by the two bodies mentioned, that we offer no opposition to the Bill; if not, that the Bill be opposed.

We are informed that the result of a successful opposition would be the appointment of a Receiver, and the application of the Third, to which the Corporation is entitled, (say £1,300), to the purposes of a Sinking Fund.

We further recommend that a permanent Committee be appointed to carry out this suggestion, and to report to the next Grand Jury.

Summer Assizes, 1870.

ORDERED—That the County Printers be directed to publish the names of the Magistrates and Cess-Payers who attend the Adjourned Road Sessions, at the commencement of the Schedule for each Barony.

ORDERED—That our Secretary be requested to ask the Chairman at the Road Sessions either to attend himself or provide a substitute to attend at the Adjourned Road Sessions.

ORDERED—That Edward W. O'Brien, Esq., be appointed a Trustee for carrying out the improvements of the approaches to the County Court-house, in place of Hon. Robert O'Brien, deceased.

RESOLVED—That the following gentlemen act as a Committee to confer with the Mayor in reference to buying the Tolls of the Wellesley bridge :—

EDWARD CURLING, Esq.
SIR WILLIAM H. BARRINGTON, Bart.,
HEFFERNAN CONSIDINE, Esq.,
JOHN C. DELMEGE, Esq.
HON. JOHN MASSY.

We, the Committee appointed to confer with the Mayor, recommend the adoption of the plan for the purchase of the Wellesley Bridge Tolls.

W. H. BARRINGTON, Bart.,
H. CONSIDINE,
J. T. W. MASSY,
JOHN C. DELMEGE,
EDWARD CURLING.

Spring Assizes, 1871.

RESOLVED—That the Collectors of County Cess be paid Ninepence in the Pound on the amount of the Warrants from this date.

ORDERED—That Robert Vere O'Brien, Esq., be appointed a Trustee for carrying out the improvements of the approaches to the County Court-house.

RESOLVED—That at each Spring Assizes three gentlemen shall be joined to the Board of Gaol Superintendence. That the Hon. Col. Monsell M.P., George Fosbery, Esq., and Joseph Gubbins, Esq., do now retire, to be replaced by Edward W. O'Brien, Esq., Henry Lyons, Esq., and James C. Cooper, Esq.

RESOLVED—That the order made by the Grand Jury at Spring Assizes, 1870, to allow the cost of receipts, &c., to the Collectors of County Cess, be rescinded.

Summer Assizes, 1871.

We, the Grand Jury of the County of Limerick, do hereby, in pursuance of the 23rd and 24th Vic., cap. 152, and the 24th and 25th Vic., cap. 102, certify that the requirements of the said acts have been complied with by the Foynes, Listowel, and Tralee Tramway Company, Limited, and we approve of the said undertaking.

ORDERED—That the resolutions passed by the Grand Jury, since the year 1861, shall be collected and printed in the County Book, specifying any that may have been rescinded.

RESOLVED—That the Board of Gaol Superintendence be authorised to carry out the arrangements for the sale of the old bridewell at Newcastle to the Earl of Devon.

Spring Assizes, 1872.

We, the Grand Jury of the County of Limerick, for Spring Assizes, 1872, now assembled, having heard that it is in contemplation to sell the Waterford and Limerick to the Great Southern & Western Railway Company, now beg to enter our most decided protest against such sale, for the following reasons :—

1st—That by so doing a complete monopoly would be obtained over the whole carrying trade of the South and West of Ireland ; and

2nd—That by such monopoly the competition which now exists between the ports of Dublin, Cork, and Waterford, and which must tend to increased facilities for Cross Channel traffic, would be at an end ; and the public being left to the mercy of one Company, it must suffer materially from being driven to accept such means of transit, and through such ports as may suit that Company.

That seeing that the subject of Railway Amalgamation has been placed before a Committee of both Houses of Parliament, we hereby request our members to oppose by every means in their power, both before that Committee and in their places in the house, any measures which may tend to promote such sale, and we further direct our Secretary to send to each of our members a properly certified copy of this resolution, and also to forward a similar one to the Board of Trade, in the event of such proposed sale being brought before them.

RESOLVED—That a reform of the existing Grand Jury Laws is desirable, and that in the proposed reform the principle of connecting the taxing power with representation of the parties taxed, is indispensable to the just and satisfactory working of the law.

RESOLVED—That we are of opinion that it would be very advantageous to the County interests that Peers, being landed proprietors, should be qualified to serve on Grand Juries.

RESOLVED—That we, the Grand Jury of the County of Limerick, are most strongly of opinion that the purchase of the Irish Railways by the Government would be of the greatest benefit to this country, inasmuch as the doing away with the great number of Boards of Management now existing, would enable the lines to be economically worked as one system, for the advantage of the whole country, and at a great saving of expense. This, with the use of the credit of the country in raising the Purchase Money, would enable large reductions to be made in the rates of carriage—a matter much required in this poor agricultural country, and especially as affording greater facilities to third-class passengers.

That our County Members be requested to bring this resolution under the notice of Parliament.

RESOLVED—That a copy of this resolution be sent to all the Grand Juries and Poor Law Boards in Ireland for their opinion.

Summer Assizes, 1872.

We, the Grand Jury of the County of Limerick, having read "An Act to amend the Tramways (Ireland) Acts, 1860 & 1861," hereby approve of the use by steam by the Foynes, Listowel, and Tralee Tramway Company, (Limited), as provided for by said Act.

ORDERED—That the applications for Presentments at Road Sessions, for which Tenders have not been taken at Adjourned Road Sessions, be printed at foot of the Schedule of each Barony, in the Schedule of Applications laid before the Grand Jury.

COUNTY OF LIMERICK INFIRMARY.

We hereby request that at each Spring Assizes, Six Members of this Grand Jury be named and placed on the Committee of Management of the County Infirmary, and that an equal number of Governors be added thereto.

We request that the Clerk of each Petty Sessions in this County be supplied with a sufficient number of Admission Tickets, to be distributed amongst the Magistrates in their district who attend at the Sessions.

Heffernan Considine, Esq., M. R. Ryan, Esq., P. O. Ellard, Esq., Hon. Hugh Massey, Robert Ievers, Esq., Charles Conyers, Esq., to be the Members of this Grand Jury associated with the Governors.

Spring Assizes, 1873.

ORDERED—That the County Surveyors at each Road Sessions make a return of all Public Works, the expense of which should be divided on the County at Large and Barony, and that such allocation be entered on the Schedules to be laid before the Grand Jury.

RESOLVED—That Lord Clarina, Stephen E. De Vere, and John Bolton Massy, Esqrs., be appointed Members of the Gaol Board.

We hereby nominate the Six Gentlemen who were appointed at Summer Assizes, 1872, to be Members of the Committee of Management of the County Limerick Infirmary, to continue to act in that capacity until Summer Assizes, 1873.

MOVED—That the Committee appointed for considering the terms on which a guarantee is to be given to the proposed Limerick and Kerry Railway, be authorised, notwithstanding the separation of the Grand Jury, to see that the terms now acceded to by the Grand Jury shall be duly engrossed, and a copy lodged with the Secretary of the Grand Jury, and that our Foreman be authorised to affix his signature to the copy or copies so engrossed, on behalf of the Grand Jury.

RESOLVED—That the following Six Members of the Grand Jury form a Committee on the Limerick and Kerry Railway, and to report to the Grand Jury :—Edward Wm. O'Brien, Stephen E. De Vere, Henry Lyons, Heffernan Considine, John Bolton Massy, William Uniacke Townsend, Esqrs.

Summer Assizes, 1873.

RESOLVED—That it is unsafe to present monies, the applications for which have not been previously considered at Presentment Sessions.

RESOLVED—That the Grand Jury believe that the appointment of a Public Analyst is most important and valuable. That having received an application from Dr. Cameron, offering to perform the duties of an Analyst upon terms specified by him, the Grand Jury think the terms reasonable, and believing that Dr. Cameron possesses high qualifications for the appointment, are willing to appoint him upon the terms contained in the letters of Dr. Cameron, dated July 5th and July 2nd, submitted to the Grand Jury, and direct that those terms be entered on the County Book.

RESOLVED—That the suggestion of the Chairman of the County be adopted, viz. :—To transfer the criminal business of Bruff to Limerick for the future.

Spring Assizes, 1874.

ORDERED—That the County Surveyors be directed to lay before the Grand Jury, at each Spring Assizes, in every year, a Schedule of the Undischarged Queries dividing the same into two classes. 1st—A Schedule containing those Undischarged Queries which the County Surveyors recommend for representation by reason of forfeiture of contracts, or of same being surplus Monies after execution of works, or for any other reason; and 2nd—A Schedule of those which they recommend should for the present remain unrepresented by reason of the works being in progress, or for any other specific reason.

Dublin Castle, 7th October, 1873.

SIR,

I am directed by the Lord Lieutenant to acquaint you, for the information of the Grand Jury of the County Limerick, that a Proclamation was made on the 2nd inst., by his Excellency in Council, transferring the Criminal Business of the Bruff Quarter Sessions to Limerick.

Spring Assizes, 1877.

ORDERED—That the Grand Jury require that in future the accounts of maintenance furnished for the children supported in the various Industrial Schools shall contain the date and sessions at which each committal took place, and the length of such committal, and also that the correctness of such accounts shall be certified to the Grand Jury by the Directors of each Institution.

ORDERED—That except in works requiring special and skilled labour, our County Surveyor should not appoint a Clerk of Works.
