...of this area, and will result in increased employment. Those who cannot do present work, or who are in Dublin, Cork and Galway, will be able to attend a University in Limerick.

The Minister for Education did not consider our deputations. Instead, he "consulted" all the people of Limerick for their interest in the department. According to Article 2 of the Constitution, the Minister for Education is responsible for the education of the people of Limerick. He is not responsible for the education of the people of Limerick. He is not responsible for the education of the people of Limerick.

There is every hope that the Limerick University Project Committee will be able to bring their case to the attention of the Minister for Education. (By Vigilans)
BY now the young men and women of the Limerick University Students Project Committee have been shaken out of their complacency. Their fighting spirit has been reawakened and they have been made to realize that the eyes of the country are watching them. It is not a task to be undertaken by a few individuals but a task to be undertaken by a large number of people. It is not a task to be undertaken by a few individuals but a task to be undertaken by a large number of people.

LIMERICK STUDENTS AND A UNIVERSITY
