played notable part in the fight for Irish freedom.

West Limerick has lost one of its most vigorous political leaders in the death of Mr. Garry Wickham, who was killed in a recent explosion at the炸药 company in Co. Limerick. His death is a great loss to the Republican movement in the area.

**Forest Fires: Menace to Life and Property**

Forest fires are not normally regarded as a menace to life and property, but in recent days they have become a serious problem in many parts of the country. The dry weather and the strong winds have caused a rapid spread of the fires, and there is a great need for vigilance and careful management.

**Penalties Provided in the Act**

The Forest Act provides for penalties in cases where forest fires are caused by negligence or recklessness. The penalties range from fines to imprisonment, depending on the seriousness of the offense.

**Perils of Dry Spell**

In times of dry spell, the vegetation is more susceptible to forest fires. It is important to be aware of this and take steps to prevent fires.

**Fought Under Fire**

The struggle to contain forest fires is a constant one, requiring the utmost of our efforts.
