Top New York radio producer

MR. MALACHY McCourt, formerly of Barrack Hill,
near Sarsfield Barracks, is an outstanding radio
producer in New York. A nephew of the late "Ab"
Sheahan, he is the chief source of enjoyment for mil-
lions of hearers on his week-end radio feature.

Rev. Brother Clement, O.H.,
St. John of God Order, Rath-
gar, Dublin, said to our reporter:
"While I was in New York, I
was overwhelmed when I heard
Malachy McCourt one Sunday
night producing a wonderful
show on the radio. Many people
were 'phoning his radio station
and asking for requests. It is a
most popular feature in Amer-
ica."

Rev. Bro. Clement had half-
an-hour conversation on the
phone with Mr. McCourt, and
told him about Limerick's pro-

gress in housing and industrial
concerns.

Dickie Harris, the well-known
actor, advised New York radio
station about the great potential
of this Limerick man.

Elite

One of the big bars in New
York, where the elite drink
daily, is owned by Mr. McCourt.
His mother is living with him
in their luxurious home.

Bro. Clement, who lived as a
boy about 100 yards from Mc-
Court's home, told our reporter
that he will be going back to
the United States to raise funds
for St. John of God Brothers'
mission in South Korea.
