The resolution was seconded unanimously,
The Chairman, in putting the proposition, said the late Mr. Stokes was one of the kindliest gentlemen in the city of Limerick, He was always connected with any charitable-movement that was started, and from what he knew of Mr. Stokes, that gentleman was always ready to support any such movement. He was an old sportaman, a member of the County Limerick Football Club. He (the Chairman) took it that the resolution was passed unanimously, and that copy of it would be sent to Mrs. Stokes and her family. (Hear, hear.)

The Chairman endorsed what Mr. Enright said with regard to Mr. Stokes's interest in the Association. He could go further if it was necessary to do so, but it was not. Mr. Stokes was as stated, connected with the Association and other jubilic movements in the city, and it was sufficient to say of him that he was a whole man in everything he touched. (Hear lear). That was his the Chairman's opinion, and he gave it to the meeting as such. That was what he found Mr. Stokes always to be in public and private life—a whole hearted man. He regretted the necessity for such a resolution, but at the same time he was glad that the Association should express its regret with the family of the deceased gentleman. The secretary would send a copy of the resolution to Mr. Stokes.
