MR. OLIVER requests his County of Limerick FRIENDS to hold themselves disengaged on the NEXT ELECTION.—His many Obligations to them, would ever Induce him to take the Earliest and most Respectful mode of Addressing them:—However at this probable distance from a Dissolution of Parliament, he should not trouble them with any Application, did he not think it necessary to Caution them against Reports circulated with Views to serve—neither them or his Family.

Mount-Shannon, April 12, 1789.

MR. FITZGIBBON thinks it incumbent on him, (in consequence of a Report which has been circulated, that he will not be a Candidate for the Honour of Representing this County in the next Parliament,) to Request of his Friends to hold themselves Disengaged:—And to assure the Worthy ELECTORS of the COUNTY of LIMERICK, that it is his fixed Intention to Offer himself to their Consideration as a CANDIDATE for the Honour of Representing them, at the Next General Election:—He considers the probable period of the Election to be too remote, to justify him in making immediate personal Application for Support, in which at a proper time he will certainly not be deficient.
