 or commanded to return: were this true,
 e that Ministers would not lose a moment
 icating such an event, decisive of war,
 of London, through the medium of the
 or; but certain it is, that every thing
 uch a conclusion; preparation for war
 with increased vigour, and a very warm
 eamen took place on our river yesterday
 ter a degree of relaxation in that service

LIMERICK, MAY 14

A few days ago, the Royal County Limerick
 Regiment of Militia, commanded by the Rt. Hon.
 Colonel Lord Muskerry, was inspected at Rathkeal
 by General Payne:—the General expressed his
 entire approbation of its appearance, and did not
 reject a man.

On Thursday last, the 13th or City of Limerick
 Regiment of Militia, commanded by Colonel
 Vereker, M. P. for this City, was inspected in the
 Castle Barrack-yard, by General Payne:—it is
 exactly one year since that Regiment was disem-
 bodied in the same place by General Morrison:—
 the appearance and neat dress of the Regiment
 merited the highest approbation of General Payne,
 and such manœuvres as they practised, justify us in
 saying, that if necessary, the Limerick Regiment
 may be directly called on to act the same part they
 did at Colony!

At a Meeting of the Common Council of this
 City, yesterday, Arthur Vincent, Esq; Burgess, was
 elected an Alderman, and Charter Justice, in the
 room of Sir Christopher Knight, deceased.

The Dianna, Simpson, from this port, passed by
 Gravesend the 5th inst.

The Betsey, Gabriel, from this port to London,
 with provisions, arrived at Milford the 2d instant.
