The Officers of the 1st Royals, truly sensible
of the attention shewn the Corps, by Aldermen
Widenham and Mansell, Messrs. Harrison,
Ferrar, Samuel and Thomas Hunter, Hastings,
Watson, Downes, Goggin, and Connel, in
their endeavours to discover the Perpetrators
of the Assault on Alexander Reagh, a Soldier
of the Regiment, beg leave to offer them their
sincere Thanks for this mark of their esteem,
so flattering to the Corps.

Kinsale, May 19, 1789.

On the 18th Inst. Died, at Llandilo in Wales,
on his return home, Nicholas Smith, of Castle-
park, Esq;—Every one who enjoyed the hap-
piness of his acquaintance esteemed him as a
sincere friend; a man of great integrity and
benevolence. He was a most affectionate hus-
band and parent, a humane landlord, a bene-
factor to the poor and friendless, which render
his death universally lamented.

Last Thursday an outlying deer, at Holly-
park, was enlarged by George Fosbery, Esq;
which afforded uncommon sport, having crossed
the Shannon three times, and at length was
taken alive at Meelick, in the county Clare.

Lodge, in this County, the seat of John Pigot,
Esq; in the grasery of which there is a Vine,
of one year's planting, from the cutting, that
will produce this season half a hundred weight
of grapes in the greatest perfection, a quantity
not yet known in any other County—of said
