

MAUNSELL, KENNEDY, AND MAUNSELL'S BANK.

at one o'clock, on Thursday evening, the meeting appointed by the Meeting on Monday last, to hear their report as follows:—

The Committee appointed on behalf of the Creditors of the Bank of Messrs. Maunsell, Kennedy & Maunsell, to enquire and report such information as might appear to us necessary to be in what state they stood, as Creditors of the Bank, do report as follows:—

Every information that we required has been furnished to us by said Bankers, and that we have carefully examined every branch of the business separately, distinguishing the debts due to the Bank, under the heads of good, doubtful, and the particulars of which will appear by the following schedule:—

We cannot close this our Report, without expressing our decided opinion, that the issuing of a Commission of Bankruptcy would be highly prejudicial to the claims of the Creditors, whose interests we consider would be best promoted by a selection of Trustees, under the Bankers' proceeding which we earnestly recommend the Creditors to adopt without delay.

**Dublin Corn Exchange, May 31.**

We had a fair supply of every description of grain at market to-day, and every article on the decline, owing it is supposed, to the late heavy failures in the south of Ireland, which has greatly destroyed confidence in the grain market. The sales effected to-day may be quoted as follows—Wheat, from 37s. to 43s. Oats from 14s. 6d. to 16s. Flour from 29s. to 34s. Barley from 15s. to 16s. Oatmeal from 15s. to 17s. New Dublin Whiskey 9s. 3d. to 9s. 6d. very dull.

**London Corn Exchange, May 29.**

Our market continues abundantly supplied with all Grain, for which the demand is trifling, and occasions a very heavy sale; but a few superfine runs of white Wheat from Essex, obtained last Monday's prices, while all other sorts are 2s. per quarter cheaper. Barley is 4s. per quarter less than on this day week, the supply having been considerable, and the market consequently dull. Oats and Beans are 2s. lower, and
