while the second of those Bills has actu-
 the erection, of an hospital, by the Barring
 the poor of our dear native City, and the
 we all have so long deplored, without aff
 fellow-citizens and myself the gratification
 subscriptions in aid of this holy work; b
 armis, allowing the Founders to incur the
 of its erection.
 Let me also direct your attention to the
 these bills have been carried through ho
 mode indeed which almost tempts me to
 on both their Houses." These bills, it
 only been read three times in each House
 passed, and then, *proa pudor!* denied the
 the King in person, but obtained after
 called a Commission!—What, the old
 Baal's bridge removed, and one of mode
 in its place—and an Hospital built, and
 ing or even allowing us to pay for them.
 ful? What right had your Representat
 himself the saving the City the expense
 or the removal of that structure which so
 ed the stream of population on a market
 But I agree with my competitor, that
 strous presumption of all is, that your R
 forwarded to his Constituents several e
 proposed two years since, respecting the
 ject of Embankments in Ireland.
 Is it to be borne, Gentlemen Elector
 busy Representative, who instead of b
 among his constituents at home and cor
 their respective interests, shall always be
 mittees by day, and in "the House," by
 eternal Irish bell should bring forward
 prepared by himself, and now submitted
 and printed for the consideration and ex
 possibly, the approbation of the Coun
 Bill also which can have no relation to
 intended only to benefit the rest of Ire
 means of reclaiming large portions of
 employing the poor of other and perhaps
 even Clare, while all the employment at
 to Limerick, through his exertions, arise
 try works as Baal's-bridge, and the imp
 navigation, which opens but 150 feet o
 City, already over burdened with trade
 an Hospital, the Athlunkard and V
 Lunatic Asylum, and other such useles
