LYING-IN HOSPITAL.

THE outstanding annual Subscribers to this Institution are requested to note the extreme reduction of its funds—as per Return subjoined.

Respecting the increased mortality observable in the annexed return—it may be expedient to state, that out of the 9 cases registered, no less than 7 occurred during the excessive heat in July and August—when the Puerperal Fever was well known to have been everywhere more than usually severe and prevalent.

HENRY H. ROSE, Treasurer and Secretary, Limerick, Oct. 8th, 1825.

County Meeting, for the purpose of considering the propriety of petitioning Parliament, for a repeal of civil disabilities to which his Majesty's Roman Catholic subjects are liable on account of their religion—petition being founded on the resolutions passed at a meeting of Peers connected with Ireland, assembled at the house of the Duke of Buckingham.

Limerick, A. de Vere Hunt, J. Kingston, J. A. de Burgho, J. H. Considine, J. P. Clonerry, M. Furnell, J. P. George Fosbery, J. P. Frederick Holland, J. T. Spring Rice, J. Fitz-Gerald, Knight of Stephen E. Rice, J. Glin.

Sir—I have the honour to enclose a Requisition calling a County Meeting of your Bailiwick. The object of the Requisition is, to consider the propriety of embodying in a Petition the opinion expressed, so great a proportion of the Protestant Peers of Ireland in favour of their Roman Catholic fellow-subjects at the Meeting which took place at the Duke of Buckingham's.

Requesting the honour of a reply, at your convenience, I have the honour to be, Sir, Your obedient Servant, T. SPRING RICE

Limerick, October 4, 1825.

My Lords and Gentlemen, I beg leave to acknowledge the receipt of the Requisition addressed to me, to convene a County Meeting for the purpose of considering the propriety of petitioning Parliament for a repeal of the civil disabilities to which his Majesty's Roman Catholic subjects are liable on account of their religion. I feel that, in reference to this moment, to take a step, which appears likely to disturb that tranquillity which the County of Limerick at present enjoys, I will best consult the rest of the County at large.

With such sentiments as these, I cannot comply with the object of the Requisition; and I am the more disposed to take this line, as the Gentlemen of this County upon a former occasion, were convened for the very purpose, and availed themselves of that opportunity expressing their sentiments most fully upon this subject—I allude to the Meeting which took place on the 1st of January, 1813; and I feel confident, that all parties reflecting, will join with me, in wishing to avoid the recurrence of such scenes.

I have the honour to be, My Lords and Gentlemen, Your obedient Servant, JOHN MASSEY

To the Right Hon. Earls Limerick, Kingston, &c. &c. &c.
