**MUNSTER MEMORIAL CLUB**

An elaborate "Christmas Tree Party" was given to orphans of fallen sailors and soldiers of the above Club on Saturday night last. The children, about 120 in number, had a most enjoyable evening, each child receiving a suitable toy, in addition to tarts, cake sweets, Christmas crackers, and fruit. The Committee also distributed some very nice boots to the children who were most in need of them, and "Father Christmas" was also in attendance to provide for the little ones. The Committee respectfully beg to thank the many generous donors also the ladies why so kindly gave their services to make everything such a great success. The children gave three hearty cheers after tea for the donors. The tree, a very large one, was presented by Sir Chas. Barrington, and was very heavily laden with toys of all descriptions. The Committee after paying all items find their expenses were £11 15s in excess of their receipts and hope that intending donors who may have forgotten to contribute will help to pay off this small debt by, if possible, sending their contributions to the Christmas Tree Fund, Munster Memorial Club, 84 O'Connell street, Limerick.

**DEATH OF MISS KATHLEEN DALY.**

We regret to announce the death, which occurred this morning at her residence 3 Swanson Terrace, of Miss Kathleen Agnes Daly, at an early age. The deceased lady had not been ailing long, but during her indisposition she received every medical and nursing care. She was the youngest daughter of Mr and Mrs William Daly, and for some years held a position on the staff of the General Post Office. In the discharge of her duties she brought to bear a quick and intelligent mind, and outside the family circle by none, perhaps, will she be missed more than by her colleagues in the Post Office among who she was a general favourite. In the bereavement that has befallen them the utmost sympathy will be extended to her parents in their loss they have sustained.

Daly, Mr J P McNamara, Director, etc.

On the motion of Mr Larkin, seconded by Enright, a vote of sympathy with Miss Hyr Assistant Librarian, and family, on the death her sister, was passed unanimously.

It was decided that the Library and Museum closed from Thursday, December 25th, to Sunday, December 28th, inclusive.

The following presentations to the Library were thankfully acknowledged—Report of the Hearings in relation to Ireland before the Committee Foreign Relations of the U.S.A. on the Treaty Peace with Germany, from the Mayor (Council A M O'Mara); Report on Imports and Exports Irish Ports, from the Department of Agriculture, etc. for Ireland.

Routine business having been transacted, the Chairman (Rev Fr Hennessy) wished the members and officials a very Happy Christmas.

**ST MUNCHIN'S COLLEGE.**

In the College Hall on Monday evening entertainment was provided by the pupils to a large audience, which included Most Rev J Hallinan and a numerous attendance of clergy and friends of the pupils. The programme included "Soldiers' Chorus," from "Faust," given in Irish for the first time in Limerick. There were several other very pleasing items, and at the close of the evening Mr Hallinan congratulated the boys very heartily. Their performance made him proud of St Munchin College, and he was, he said, particularly pleased at the prominence given in the programme to the National language. His lordship paid a well deserved tribute to the musical training given to the boys by Mr Keadal Irwin.
