## MAGISTRATE COMPLIMENTED.

Yesterday, in the Appeal Court, a damage case was on for hearing before the Lord Chief Justice, and during the evidence his lordship suggested to refer the matter in dispute to Mr Vincent Nash, J.P., High Sheriff, the agent of both estates concerned in the drainage in question. One of the witnesses was Mr Wm. Waller, D.L., before whom the matter had originally come as a magistrate, and who had gone out and seen the place for himself. His lordship said that he was pleased to see a magistrate in Mr Waller's position taking the interest he had done in a case of the sort, and it reflected on him very great credit.

At the Croom Petty Sessions yesterday, Constable O'Keeffe summoned John Wallace, Limerick, who was in charge of the American Oil Company's horses at Croom on the occasion when they ran away (as previously reported), for not having the horses under proper control.

Mr. Holliday (Manager Messrs. Boyd's, Limerick), stated he was Agent for the Company in Limerick, and as his solicitor could not attend owing to the Assizes he wished to have the case adjourned until next court day.

The application was granted.
